Dear Sir or Madam:

Today's rising education costs has made funding higher education particularly challenging for students. That is why we are so pleased to be able to once again offer a **\$10,000 cash scholarship** to be given to the winning student in our 9th annual national competition to Create-A-Greeting Card.

In addition, a **\$1,000 cash prize goes to the school** of the winner of our annual scholarship contest.

This scholarship contest is uniquely simple and easy for students in high school or college to enter. And, the winner's entry will be produced and sold as a real greeting card!

The 9th Annual Create-A-Greeting-Card Scholarship is for ALL students!

- **Artwork or a digital photo can be entered**
- **No complicated or oppressive rules**
- **Easy and fast online entry**

We would like to inspire the youth of today to recognize quality and beauty and to capture it, whether that be in the form of a digital photo or a finished piece of art from their art class or computer lab. The contest can be a **turning point in the life of a student** who might not otherwise be able to afford the education they deserve but we need your assistance!

Please review the materials enclosed, especially the sample cards (including some of our past winners) and the official rules. What we are looking for can be in photography, graphic design, or fine arts. To see a complete set of our designs, simply visit our website, www.GalleryCollection.com

In order for this scholarship program to be a success, we need your help to publicize the scholarship and the online entry within your educational community. **Please help us by taking one of the important "Next Steps" outlined on the enclosed Next Steps document.**

Voters will be able to vote once per day.

The top ten (10) designs with the most votes will automatically move onto the finalist round.

In addition to the top 10 entries from each month with the most votes from our voting page, the panel of Judges will also have the opportunity to "save" one (1) additional design per month to move onto the finalist round.

After the Submission Period Ends the top 5 entries with the most votes received from the monthly voting sessions along with five (5) entries that the panel of judges have selected will be the official Top ten (10) finalists.

The panel of judges will then select a winner from the top 10 finalists.
